

# How Could God Let Such Tragedies Happen?

by Dennis Lee Brown

We live in times of violent gun attacks, massive school shootings, and huge world drug epidemics. Along with out of control weather conditions, destructive hurricanes, floods waters' overflowing and devastating landslides earthquakes

I view this with an extremely profound and insightful response. "I believe God is heartbroken and really distraught by this, even more so than we are, but over and over, and I mean for years we as a people, we've been telling God to get out of our schools, our of our law making and political arena, and most of all, out of our lives.

And being the kindhearted gentleman He is, not willing to force anyone to do anything, I believe He has calmly stepped away backing out from rejection. How can we expect God to give us His blessing and His protection if we demand He leave us alone? "In light of current events happening all over..." horrible terrorists attack, kid pulling off school shootings, devastating events all around us etc..."

Frankly, Madeleine Murray O'Hare, I think it started when she didn't want prayer in our schools, and lawmakers said, "OK"! Then our elected officials said you better not read the Bible in school, pray or even say grace at mealtime. Moreover, we replied OK... That is all right. We took the goodness of God out of schools and darkness, guns, drugs, and violence rushed in surrounding and terrifying our children.

Have you ever heard, "Thou shalt not commit adultery, Thou shalt not kill, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbor as thyself". [Romans 13:9](#) | [View whole chapter](#) | [See verse in context](#).

**How can we expect God to give us His blessing, His grace and His protection if we demand He leave us alone, because we want no part of Him?"**

Then Mr. Spock, (Dr Benjamin Spock) said we should not spank or whip our children when they misbehave because their little personalities would be warped and we might damage their self-esteem yet, Dr. Spock's son committed suicide. Nevertheless, the Word of God plainly states, "Foolishness is bound in the heart of a child; but the rod of correction shall drive it far from him." [Proverbs 22:15](#) | [View whole chapter](#) | [See verse in context](#). "Withhold not correction from the child: for if thou beatest him with the rod, he shall not die." [Proverbs 23:13](#) | [View whole chapter](#) | [See verse in context](#). Correct thy son, and he shall give thee rest; yea, he shall give delight unto thy soul [Proverbs 29:17](#) | [View whole chapter](#) | [See verse in context](#). Thine own wickedness shall correct thee, and thy backslidings shall reprove thee: know therefore and see that it is an evil thing and bitter, that thou hast forsaken the LORD thy God, and that my fear is not in thee, saith the Lord GOD of hosts. [Jeremiah 2:19](#) | [View whole chapter](#) | [See verse in context](#). Are we to dismiss this as if there are not any consequences? We said an expert, he should know. And we said OK as if God does not know what He is talking about. Now we're asking ourselves why our children have no conscience or concern one for another, why they don't know right from wrong, and why it doesn't bother them to kill their peers or strangers, their classmates, and even themselves.

Almost certainly, if we consider it, I mean actually give it some serious thought long and hard enough... we can figure it out. I think it has a great deal to do with "CARMIA", "Be not deceived;

God is not mocked: for whatsoever a man soweth, that shall he also reap.” [Galatians 6:7](#) | [View whole chapter](#) | [See verse in context](#). He that soweth iniquity shall reap vanity:...

[Proverbs 22:8](#) | [View whole chapter](#) | [See verse in context](#). Funny how simple it is for people to trash and insult God and then wonder why the world's going to hell... Isn't Funny how we believe what we want to believe, and here say, and what the newspapers & reporters say, but question what the Bible and God has to say.

Isn't it witty and hilarious how you can send vulgar 'jokes' through e-mail and social media, they spread like wildfire, receiving many hits and "likes", but when you start sending messages regarding the Lord, people "STOP" ...and think twice about sharing. Isn't it "funny"... Are you laughing?

It's kind a Funny how when you forward this message, you will not send it to many on your social friends list & address list because you're not sure what they believe, or what they WILL think, of you for sending it. Funny how we can be more worried about what other people think of us than what God thinks of us – His opinion is what matters. .

Pass it on if you think it has merit. If not then just discard it... no one will know you did. But, if you discard this thought process, don't sit back and complain about what bad shape the world is in.

God bless you as you share it with friends. No Nation or people can ever survive or succeed without Jesus Christ because the Bible says," The wicked shall be turned into hell, and all the nations that forget God" [Psalms 9:17](#) | [View whole chapter](#) | [See verse in context](#)
