Preface

S oon an event so spectator will happen that the Lord Jesus Christ Himself will descend from Heaven with a shout, with the voice of the archangel, and with the trump of God.

The graves of the dead shall give-up the righteous dead saints in Christ first, and everyone who is alive in Christ (*The "Saved*"; those who has repented, calling on the name of "Jesus Christ", and their sins washed away by the blood of the Lamp – "Jesus Christ") and remain shall be caught up together with them in the clouds. There is going to be a massive gathering of people from all generations and nations, every ethnic group of humankind, from the poorest to the richest, we all shall meet the Lord in the air, to abide in Heaven with Him eternally. In the Holy Bible, the book of 1 Thessalonians 4th chapter clearly states this astronomical occurrence.

^{v.15} For this we say unto you by the word of the Lord, that we which are alive [and] remain unto the coming of the Lord shall not prevent them which are asleep.

^{v.16} For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

^{V.17} Then we which are alive [and] remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

v¹⁸ Wherefore comfort one another with these words.

Vision of the Rapture "10, 9, 8, 7, 6, 5, 4, 3, 2. 1, Ready or Not, Here I Come"

A Spiritual Vision I saw while I was Under the Anointing

saw in a vision a clock of time. Not a clock as you and I would look at to tell time, but "The Clock of Eternity". The clock contained two segments. At the base, it was white. Inscribed around the base were the times of the ages (the Dispensations). They were moderately spending around in a clockwise motion. The top portion of the clock was as a brass ring with numbers that started at one which was at the top middle of the clock and the other numbers (one through ten) were positioned around the rim. There was only on hand fixed in the middle of the clock, the entire brass ring moved around in a counter clock-wise motion. Both sections of the clock were connected together in the by a metal rod, and both pieces moved together at the same time.

While observing this timepiece, it is positioned in the open Heavens. Beside it was an angelic time guardian, whose head lay beside this time device. Its' appearance was that of a mans' face, upper body and arms. With his fingers, the time keeper began to count down, "Ten, "Nine, Eight, Seven, Six, Five, Four, Three, Two, at that time I beheld the clock and its' brass hand was nearing the one o'clock hour position. I knew from that, time as we know it was at its' end.

At this time, the vision changed. I was no longer in the Heavens, but my spirit was back on earth and I was standing in the middle of the street. All of a sudden, I heard a loud blasting sound and there were clouds, which fell down from the sky to the ground. The clouds were dark gray and very puffy. They spread themselves all around everywhere touching various people feet.

Then I looked up towards the sky where I saw people being lifted up by the clouds into the air. It was as if the people

Who were touched by the clouds was caught up to meet the Lord in the air. Those who were not lifted up by the clouds stood in amazement wondering what happened to the people that were with them.

Right after these people were caught up in the air, there was sudden panic and air plans fell from the sky. People who were driving were ne longer in their cars and they crashed into buildings, people and each other. Parents were afraid and in turmoil when they looked around for their child and could not find them. For they had disappeared in the Rapture, fear gripped the human race as fear had never before had been felt. No one on earth seemed to understand what happened to millions and millions of people who vanished off the face of the earth. It was a living nightmare. There was terrible accidents and tragedy all over the earth.

As I watch the Rapture taking place, a certain woman was walking down the street with her toddler. In a split second, her child was gone up in the clouds to meet the Lord in the air. However, she was not taken up and she began to scream and scream, Where is my baby?" As she turned around and around looking for her dear child... however, the baby was no longer on earth with its' parents. The Child was caught up I the clouds to meet the Lord in the air and he souls forever be with God in Heaven.

If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. 1 John 1:9 | View whole chapter | See verse in context

But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin.

If we say that we have no sin, we deceive ourselves, and the truth is not in us.

If we confess our sins, he is faithful and just to forgive us [our] sins, and to cleanse us from all unrighteousness.

If we say that we have not sinned, we make him a liar, and his word is not in us. $\underline{1 \text{ John 1:7}}$ View whole chapter <u>See verse in context</u> 1 John 1:9 View whole chapter See verse in context
