New Charge – Mission Statement

Hello at the closing of 2017 we find our communities, the young men and women ravished by the works of darkness and it is widespread throughout the neighborhoods. In this day and time Christians must let their light shine in the obscurity and not only let it shine, but let it glow brightly to lead people to Christ that they might get saved.

A few weeks ago, in the midst of November, in a vision the Lord showed me the depravity of the ways of man. Honorable sin was on the rampage, and young people was caught up by its' strong grip. I saw multitudes, old and young running in blackness from one sin to another. Riotous living had become the normal way of life.

The Lord spoke to me saying, "Preach to the drug addict and the dealer, pray for the sinner, bring the harlot and the whore out of sin. Preach My Word, for you know the Word, I have instilled it in you, preach my Word to the poor, hungry and sick. Bring them out; bring them out of the darkness of this world...Preach my Word!"

This is a new charge from God... "A new deployment – marching orders" There are lost souls that I need to lead to Christ. People are in desperate need of deliverance. As many people as the Lord leads to us, we minister to their spiritual and natural needs.

Through us, often, the Lord speaks to them concerning the battle or test they find themselves dealing with, and He gives those individuals words of encouragement.

I am asking you to rally together with us to reap a harvest of soul. I do not want to see or hear that one of my children has become a victim of the works of the devil. We are commanded in the Word to be clear-headed, fully conscious, and to be watchful - on your guard and attentive. Why? Because there is an evil opponent, a wicked enemy, making boastful noise of he is planning to destroy souls through showing people good-times in darkness. The Words reads, "*Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:*" [1 Peter 5:8](#) | [View whole chapter](#) | [See verse in context](#)

Help us fight this evil and spread the light of the Gospel of Jesus Christ. Donate to the cause of reaching souls for the Lord. Donate freely to the Lords' work. Be diligent and faithful with your tithes and offerings. Make a pledge to God, Send up a sacrificial offering. Support the work of the Ministry. See wont God pour you out a blessing that you will not have room to receive.

Please help us get the Word out to those caught up in the darkness of this world. *Click to support "ministering to the lost and dyeing souls":* <https://artistdennisleebro.wixsite.com/thepropheticword/tithes-offerings>
